BANGALORE.

To

D. M. Narasinga Rao Esquire, B.A., B.L.,
Offg. Secretary to the Government of
His Highness the Maharaja of Mysore,
General and Revenue Departments,
BANGALORE.

Sir,

With reference to para 2 of Government Order No. 5881-2/Gan 59-13 dated the 5th December 1913, calling for re-port regarding the discrepancy in the number of bamboos supplied by the District Forest Officer, Mysore District to the Deputy Amildar of French Rocks during 1910-11, I have the honour to submit herewith copy of docket No. 2424 dated the 23rd November 1910, addressed by the Deputy Commissioner Mysore District to the Sanitary Commissioner in Mysore in response to a similar enquiry from him for the difference of 600 bamboos.

I have the honour to be,
Sir,
Your most obedient servant,

Offg. Conservator of Forests.

Encl to Say 57-13-3.

Docket No. 2424 dated the 23rd November 1910 from the Deputy Commissioner, Mysore District, to the Sanitary Commissioner to the Government of Mysore.

Referring to his docket No. 8053 dated the 5th --- November 1910 requesting to be informed as to how 3592 small bamboos came to be included in the list of shed -- materials submitted by the Deputy Amildar, French-Rocks against 2892 whose value has been claimed for by the --- Forest Department, has the honour to state that the list refers to the supplies in June 1910 of the year 1909-10 and the Deputy Amildar has wrongly included in the list 600 small bamboos supplied in July 1910, which ought to be taken to the accounts of 1910-11. The value of the latter 600 has already been adjusted in September 1910 as per his sanctioned bill for Rs 35-10-0.

Hence, 695 big and 2892 small bamboos is the correct figure for June 1910 which may be kindly taken to the -- accounts. The above said 600 small bamboos will be included in the statement of supplies for the year 1910-11. The list has been retained in this Office for the compilation of a consolidated statement due to Government.
